Research interests

I research how to improve human judgment and decision making. To this end I combine insights from cognitive science, bounded rationality, heuristics, collective intelligence (“wisdom of crowds”), data science, and machine learning—with a focus on how to create the “wisdom of crowds” within one mind (i.e., “inner crowd” and “dialectical bootstrapping”). In addition to basic research, I work on applications in medical decision making.

Selected publications

Kurvers, R. H. J. M., **Herzog**, S. M., Hertwig, R., Krause, J., Carney, P. A., Bogart, A., et al. (in press). Boosting medical diagnostics by pooling independent judgments. *Proceedings of the National Academy of Sciences of the United States of America*. doi:10.1073/pnas.1601827113

Herzog, S. M., & von Helversen, B. (in press). Strategy selection versus strategy blending: A predictive perspective on single- and multi-strategy accounts in multiple-cue estimation. *Journal of Behavioral Decision Making*. doi:10.1002/bdm.1958

Herzog, S. M., & Hertwig, R. (2014a). Harnessing the wisdom of the inner crowd. *Trends in Cognitive Sciences*, 18, 504–506. doi:10.1016/j.tics.2014.06.009

Herzog, S. M., & Hertwig, R. (2014b). Think twice and then: Combining or choosing in dialectical bootstrapping? *Journal of Experimental Psychology: Learning, Memory, and Cognition*, 40, 218–232. doi:10.1037/a0034054

Herzog, S. M., & Hertwig, R. (2013). The crowd within and the benefits of dialectical bootstrapping: A reply to White and Antonakis (2013). *Psychological Science*, 24, 117–119. doi:10.1177/0956797612457399

Herzog, S. M., & Hertwig, R. (2009). The wisdom of many in one mind: Improving individual judgments with dialectical bootstrapping. *Psychological Science*, 20, 231–237. doi:10.1111/j.1467-9280.2009.02271.x

Education

Ph. D., Dr. phil. (*summa cum laude*/with highest praise), dissertation: „The power of fluency and aggregation: Two case studies in the cognitive science of human judgment“, Department of Psychology, University of Basel, 2005–2009

Master of Science in Psychology (*summa cum laude*/with highest praise); major in social psychology, consumer and organizational behavior, Department of Psychology, University of Basel, Switzerland, 2003–2005

Subsidiary degree in managerial economics, studies in computer sciences, Wirtschaftswissenschaftliches Zentrum (WWZ), University of Basel, Switzerland, 2001–2005

Bachelor of Science in Psychology (*magna cum laude*/with great praise), Department of Psychology, University of Basel, Switzerland, 2000–2003

Managerial economics and computer sciences, Wirtschaftswissenschaftliches Zentrum (WWZ), University of Basel, Switzerland, 1999–2000

Academic experience and positions

Researcher, Center for Adaptive Rationality (ARC), Max Planck Institute for Human Development, Berlin, 2012–

Researcher, Cognitive and Decision Sciences, Department of Psychology, University of Basel, 2009–2012

Guest researcher, Fuqua School of Business, Duke University, US, 06/2009

Graduate student, Cognitive and Decision Sciences, Department of Psychology, University of Basel, Switzerland, 2005–2009

Research assistant, Social and Economic Psychology, Department of Psychology, University of Basel, Switzerland, 2001–2005

Research internship, Prof. Dr. Klaus Fiedler, Institute of Psychology, Department of Social Psychology, University of Heidelberg, Heidelberg, Germany, summer 2003

Statistics tutor, Department of Psychology, University of Basel, Switzerland, 2001–2002

Grants, awards and media mentions

Hillel Einhorn New Investigator Award 2010 for the paper Herzog & Hertwig (2009), Society for Judgment and Decision Making; see <http://www.sjdm.org/history.html>

„Dialectical bootstrapping: A new paradigm to Improve individual judgment“, Swiss National Foundation project (100014_129572), 2011-2017, CHF 270'925, Department of Psychology, University of Basel, and Center for Adaptive Rationality, Max Planck Institute for Human Development, Berlin (<http://p3.snf.ch/Project-129572>)

Steven Karger Department of Psychology Award 2009 for dissertation ("The power of fluency and aggregation: Two case studies in the cognitive science of human judgment", Herzog, 2008), CHF 5'000, Department of Psychology, University of Basel.

"The Wisdom of Crowds" within and across people. Travelling grant, 2009: Swiss National Foundation („International short research visits“). CHF 3'200.

Organized workshops, symposia and conferences

Workshop *Prediction contest: How well can you predict what you don't yet know?* to be held at Summer Institute on Bounded Rationality 2016: Better decisions in a complex world, June 27th–July 5th 2016, Max-Planck-Institute for Human Development, Berlin, Germany.

Workshop *How well can you predict what you don't yet know?* held at 2016 JDMx Meeting for early career researcher, June 8th–11th 2016, University of Basel, Basel, Switzerland.

Workshop *Prediction contest: How well can you predict what you don't yet know?* held at Summer Institute on Bounded Rationality 2015: Homo Heuristicus in the Economy, June 4th–11th 2015, Max-Planck-Institute for Human Development, Berlin, Germany.

Workshop *Introduction to statistical analyses using R—Tips & tricks*. October 29th & November 12th 2014, Max-Planck-Institute for Human Development, Berlin, Germany.

Workshop *Expertise, popularity, and the wisdom of crowds* (with Mehdi Moussaïd). Summer Institute on Bounded Rationality: Simple solutions for a complex world, June 10th–17th 2014, Max-Planck-Institute for Human Development, Berlin, Germany.

Workshop *Data analysis beyond p-values: A practical introduction to Bayesian statistics*. International Max Planck Research School LIFE, June 3rd 2014, Max-Planck-Institute for Human Development, Berlin, Germany.

Workshop *Psychologists are open to change and should adopt Bayesian statistics* (with Mirjam Jenny). 6th JDM Workshop for Young Researchers, July 17th–19th 2013, Max-Planck-Institute for Human Development, Berlin, Germany.

Workshop *Data analysis beyond p-values*. Summer Institute on Bounded Rationality: Decision making in a social world, June 17th–25th 2013, Max-Planck-Institute for Human Development, Berlin, Germany.

Workshop scientific writing (with Bettina von Helversen). 4th Workshop for Judgment and Decision making, Max Planck Institute for Research on Collective Goods, Bonn, Germany (August 2011).

Co-organizer 3rd Workshop for Judgment and Decision making, University of Basel, Switzerland (September 2010).

Co-organizer symposium: Herzog, S. M., & Lee, L. (2009). *Are crowds always wiser?* Symposium at the 30th Annual Meeting of the Society for Judgment and Decision Making, Boston, Massachusetts, USA.

Workshop robust statistics. 2nd Workshop for Judgment and Decision making, University of Mannheim, Germany (July 2009).

Co-organizer symposium: Herzog, S. M., & Hilbig, B. (2009). *Simple prediction strategies: Recognition and "The Wisdom of Crowds"*. Symposium at the 51st Tagung experimentell arbeitender Psychologen [Conference of Experimental Psychologists], Jena, Germany.

Workshop robust statistics, with Robin Hau. University of Basel, Basel, Switzerland (September 2008).

Co-organizer European Social Cognition Network Transfer of Knowledge Conference 2005, Vitznau, Switzerland.

Workshop introduction to web technologies: HTML, PHP & MySQL, University of Basel, Basel, Switzerland (2005).

Continuing education

Statistical training

- *Data Science* specialization, Johns Hopkins University on [Coursera](#)
 - *Reproducible Research*. Certificate earned on [August 2nd, 2015](#)
 - *Exploratory Data Analysis*. Certificate earned on [February 2nd, 2015](#)
 - *Getting and Cleaning Data*. Certificate earned on [December 28th, 2014](#)
 - *R Programming*. Certificate earned on [November 4th, 2014](#)
 - *The Data Scientist's Toolbox*. Certificate earned on [November 4th, 2014](#)
- *Machine learning*, Stanford University on [Coursera](#). Certificate earned on [June 4th, 2014](#)
- *Bayesian modeling for cognitive science: A WinBUGS workshop*, 2011, University of Amsterdam, Netherlands.
- *Summer School in Computational and Mathematical Modeling of Cognition*, European Society for Cognitive Psychology, Mallnitz, 2010, Austria.

Presentation skills

- Presenting at international scientific conferences. 3 day course (30h/1 ECTS) by TRESS&TRESS (www.tress-tress.com)

Teaching, supervision, and mentoring

Training in teaching skills for higher education

Certificate in higher education [Sammelzertifikat Hochschuldidaktik] at the University of Basel (20.11.2011; 2010-2011; total of 66 hours):

- *Introduction to higher education didactics* [Einführungsmodul Hochschuldidaktik] (2010)
- *How to grade* [Fair prüfen] (2011)
- *Planing, teaching and evaluating courses* [Lehrveranstaltungen planen, durchführen und evaluieren] (2010)
- *Running meetings and discussions* [Diskussionsleitung in der Lehre] (2010)
- *Problem-based learning* [Problemorientiertes Lernen] (2010)
- *Rhetoric* [Rhetorische Kommunikation] (2010)
- *Rethoric: Explication and narration* [Explikation und Narration] (2011)

Graduate and undergraduate courses taught

Department of Psychology, University of Basel, Switzerland

Improving judgment and decision making (master level theory seminar: 2014)

Psychology of forecasting (master level theory seminar: 2007, 2009, 2010, 2011)

Applied forecasting (master level applied seminar: 2010, 2011, 2012)

Introduction to psychology, economics and neuroscience (master level theory seminar: 2005, 2006, 2007, 2008)

Negotiation (master level applied seminar: 2008)

Drawing inferences from memory (with Lael Schooler; master level theory seminar: 2006)

Decision analysis and decision technology (master level theory seminar: 2006)

Evolutionary psychology: Emotion, motivation and evolution (bachelor level lecture: 2011, 2012)

Managerial decision making (bachelor level seminar: 2007)

How to write a bachelor thesis (bachelor level seminar: 2010, 2011)

Supervision/mentoring

Ph.D. students: Aleksandra Litvinova, Nathaniel Phillips

Master theses: Alice Atanasiu, Basil Blum, Andrea Hajmer, Greta Kellermann, Isa de Maddelena, Zsofia Oroszlan, Yuliya Romanyuk, Ruxandra Teodoreanu

Master course theses: Gerlinde Amschl, Anaïs Arnoux, Raffaella Arcuri-Tortola, Carola Binder, Lorena Boss, Monica Caprio, Florence Ettlin, Dominic Fischer, Chantal Grüter, Kirsten Hardt, Christina Jans, Sarah Kupper, Andrea Rid, Yuliya Romanyuk, Sabrina Stefanelli, Elena Stolz, Milena Ulrich, Stephanie Zell

Bachelor theses: Béla Ackermann, David Allemann, Alice-Alexandra Atanasiu, Cécile Bucher, Emina Canic, Kim Casagrande, Romain Cottens, Loris Criscione, Sibylle Fluri, Marietta Jäggi, Carmen Kaiser, Miriam Kaufmann, Lea Kilchling, Nadia Kohler, Selina Langenegger, Claudia Lombris, Samir Meier, Yuliya Romanyuk, Oliver Schürmann, Alice Seiler, Ariane Senn, Tom Siebenaler, Petra Vonmoos, Sylvia Walukiewicz

Internships: Stephan Bedenk, Eleanor Brewer, Alexander zur Bonsen

- Herzog, S. M., & Hertwig, R. (2009). *The wisdom of many within one mind: Making better judgments with dialectical bootstrapping*. Paper presented at the 2009 Asia Pacific meeting of the Economic Science Association (APESA09), Haifa, Israel.
- Herzog, S. M., & Hertwig, R. (2008). *The wisdom of many within one mind: Making better judgments with dialectical bootstrapping*. Paper presented at the 29th Annual Meeting of the Society for Judgment and Decision Making, Chicago, Illinois, USA.
- Herzog, S. M., & Hertwig, R. (2008). *The wisdom of ignorant crowds: Collective recognition and forecast combination*. Paper presented at the 29th International Congress of Psychology, Berlin, Germany.
- Herzog, S. M., Hertwig, R., & Schooler, L. J. (2008). *Do differences in fluency make us smart? The ecological rationality of retrieval fluency?* Poster presented at the Mannheim Conference on Formal Models of Memory, Judgment, and Decision Making, University of Mannheim, Germany.
- Herzog, S. M. (2008). *Do differences in fluency make us smart? The ecological rationality of retrieval fluency*. Invited talk, Sonderforschungsbereich 504 Seminars, University of Mannheim, Germany.
- Herzog, S. M. (2008). *“The wisdom of the crowd” innerhalb von einzelnen Personen: Wie man mit Widersprüchen gute Vorhersagen machen kann. [“The wisdom of the crowd” within individuals: How to make good forecasts by contradicting yourself]*. Paper presented at the 50th Tagung experimentell arbeitender Psychologen [Conference of Experimental Psychologists], Marburg, Germany.
- Herzog, S. M., Hertwig, R., & Schooler, L. J. (2007). *The psychology of the fluency heuristic: Do differences in fluency make us smart?* Poster presented at the 28th Annual Meeting of the Society for Judgment and Decision Making, Long Beach, California, USA.
- Herzog, S. M., Hertwig, R., & Schooler, L. J. (2007). *Fluency heuristic: A model of how the mind exploits a by-product of information retrieval*. Paper presented at the 10th Congress of the Swiss Society of Psychology, Zürich, Switzerland.

- Herzog, S. M., & Hertwig, R. (2007). *The wisdom of ignorant crowds: Forecasting with collective recognition*. Poster presented at the 21st Subjective Probability, Utility, and Decision Making (SPUDM) Conference, Warsaw, Poland.
- Herzog, S. M., & Hertwig, R. (2007). *Wenn Ignoranz bessere Vorhersagen als die FIFA macht: Kollektive Rekognition und die Vorhersage der WM 2006. [When ignorance makes better predictions than the FIFA: Collective recognition and forecasting the Soccer World Cup 2006.]* Paper presented at the 49th Tagung experimentell arbeitender Psychologen [Conference of Experimental Psychologists], Trier, Germany.
- Herzog, S. M., & Hertwig, R. (2007). *The wisdom of ignorant crowds: Forecasting with collective recognition*. Paper presented at the 8th Fachtagung der Gesellschaft für Kognitionswissenschaft (KogWis 2007), Saarbrücken, Germany.
- Herzog, S. M., & Hertwig, R. (2006). *The collective wisdom of partially ignorant people: How successful is collective recognition in predicting the FIFA Soccer World Cup 2006?* Poster presented at the 27th Annual Meeting of the Society for Judgment and Decision Making, Houston, Texas, USA.
- Herzog, S. M. (2006). *Fluency heuristic: A model of how the mind exploits a by-product of information retrieval*. Poster presented at the Summer Institute on Bounded Rationality in Psychology and Economics, Berlin, Germany. The poster won the 2nd place in the summer institute's poster awards. Chairs: Gerd Gigerenzer (Center for Adaptive Behavior and Cognition, Max Planck Institute for Human Development, Berlin, Germany) and Werner Güth (Strategic Interaction Group, Max Planck Institute of Economics, Jena, Germany).
- Herzog, S. M., Hertwig, R., & Schooler, L. J. (2006). *The boundedly rational fluency heuristic: Fast and frugal decisions by the use of recognition speed*. Paper presented at the Congress of the International Association for Research in Economic Psychology and the Society for the Advancement of Behavioral Economics, Paris, France.
- Herzog, S. M., Hertwig, R., & Schooler, L. J. (2006). *The boundedly rational fluency heuristic: Recognition speed as an ecological cue in uncertain environments*. Paper presented at the Small-group Meeting on Adaptive Cognition in an Uncertain Environment. Chairs: Klaus Fiedler, Yaakov Kareev, & Peter Freytag, International Science Forum (ISF) of the University of Heidelberg, Heidelberg, Germany.
- Herzog, S. M., Hertwig, R., & Schooler, L. J. (2006). *Die begrenzt rationale fluency heuristic: Wann wird die Rekognitionszeit für Inferenzen genutzt? [The boundedly rational fluency heuristic: When is recognition speed used for making inferences?]* Paper presented at the 48th Tagung experimentell arbeitender Psychologen [Conference of Experimental Psychologists], Mainz, Germany.
- Herzog, S. M., Hansen, J., & Wänke, M. (2005). *Temporal construal and ease of retrieval*. Paper presented at the European Social Cognition Network Transfer of Knowledge Conference 2005, Vitznau, Switzerland.
- Herzog, S. M., Hansen, J., & Wänke, M. (2005). *Temporal construal and ease of retrieval*. Paper presented at the 14th General Meeting of the European Association of Experimental Social Psychology, Würzburg, Germany.
- Herzog, S. M., Hertwig, R., & Schooler, L. J. (2005). *Die begrenzt rationale fluency heuristic: Wie ökologisch valide sind subjektive Latenzzeiten? [The boundedly rational fluency heuristic: How ecologically valid is recognition speed?]* Paper presented at the 47th Tagung experimentell arbeitender Psychologen [Conference of Experimental Psychologists], Regensburg, Germany.
